## INSTRUCTIONS:

Please include the following sections and content:

Title of Project

Name(s), title and department(s) of instructor(s) involved in the project

Body: 1000 words max. (including references)

Please divide your research summary into five sections:

- Questions that were investigated (taken from your proposal)
- Context (eg. course/program)
- Summary of findings organized by questions that were investigated
- Next steps (e.g., how you will apply findings to your teaching)
- References

Names of 3 images and accompanying captions

# Word Document for Template 1

## IMAGES:

This template works best with 3 images. Please send us 3 images in jpeg or tiff format, as an attachment to your email. Please name the images so that they correspond with your captions in your word document.

Image 1- must be about 10inches wide, height is adjustable, but around 7- 10 inches. 300 dpi

Image 2- must be about 10inches wide, height is adjustable, but around 7- 10 inches. 300 dpi

Image 3- must be about 10inches wide, height is adjustable, but around 5-7 inches. 300 dpi
